

We believe everyone deserves a home.

Our Values

Members of the Boise/Ada County Homeless Coalition agree:

- To treat all people with dignity and respect
- That homelessness is unacceptable and requires our collective compassion, resources, advocacy, and action to end it
- To recognize each individual's and family's right to stable, safe, and affordable housing, quality medical and mental health care, food, clothing, education, and sustaining income and/or employment
- To encourage best practices while advocating for change and innovation

Who We Are

We are individuals and groups, including volunteers, advocates, people formerly or currently without secure housing, service-provider agencies, faith groups, medical providers, local and state government representatives, and more. We work together toward our common vision of a community where everyone is safely housed.

Join the Coalition

We offer three types of annual memberships:

- Individual - \$20
- Service Provider or Congregation - \$40
- Business - \$75

Activating Voices for Solutions

What We Do

Advocate

We are a collective voice for all people in our community who are experiencing homelessness.

We support community solutions such as “Housing First” and we initiate or sponsor projects and special forums as volunteer participation allows.

We notify and encourage members’ participation in public forums where legislation, policies, or decisions can affect housing security.

Educate

We inform our members and our community at our meetings and by email distributions, our website, and social media.

We offer presentations and events about homelessness and housing insecurity.

Coordinate

Our meetings and communications create a forum for exchanging information on current issues, available services, and solutions.

We bring people and services together.

“The group that participates in these monthly calls are so resourceful...they make connections and solutions happen!”

**Jodi Peterson-Stigers, Executive Director
Interfaith Sanctuary**

“The Coalition is an invaluable resource that has provided me with opportunities to get involved and be a better advocate.”

**Kelli Parker, Director
Economic Opportunity by Jannus**

Together we can solve homelessness.

Our Mission

To end homelessness in Boise and Ada County through education, advocacy, and coordinated services.

How YOU Can Help

Volunteer or Donate – Service providers need your help! Find a list of non-profit organizations on our website.

Acknowledge and Be Kind – equally – to all people, housed or unhoused. Act as if we are all in this together – we are!

Educate Yourself & Others – Attend a Coalition meeting or request a speaker for your faith community or other group.

Be an Advocate – Elected officials need to hear from you! Sign up to receive our Action Alerts.

Join Us – It’s easy to become a member. Your membership fee supports the Coalition’s work.
